No. of Copies rec'd 1
List ABCDE

COLUMBUS TOWNSHIP BOARD

LUCE COUNTY, MICHIGAN

Whereas, the Columbus Township Board supports and requests wireless service providers (AT&T, Verizon) to provide basic wireless services in our communities.

Whereas, Public Health and Safety are jeopardized in Columbus Township by the lack of wireless services currently available throughout Luce County and Upper Michigan.

Whereas, FCC, Federal License Compliance requires: Wireless Service providers to furnish service in their licensed areas. Wireless Service providers are compensated for building out in rural areas.

Whereas, Wireless Services arms public works departments such as the police and firefighters with real-time information for response. Wireless solutions are helping communities in aspects of safety, efficiency and economic growth.

Whereas, For Governments around the world, access of high-speed, wireless broadband connectivity has become a norm ("Internet Ready Communities") and a necessity to enhance the lifestyle of the community, build value, bridge digital divides and facilitate education.

Be it resolved, that the Columbus Township Board urges, State and Federal Elected Officials, AT&T and Verizon Wireless to provide the basic wireless services as required by FCC Licenses.

Therefore be it resolved that, at the regular board meeting of the Columbus Township Board on March 11, 2014 this Resolution was moved by Ed Auge, supported by Kelly King, to adopt this Resolution of Support.

Wireless Service Resolution # 2014-06

Missaukee County, State of Michigan

WHEREAS, the County of Missaukee and their Board of Commissioners supports and requests wireless service providers (AT&T Mobility, Verizon Wireless, Sprint) to provide up-to-date wireless services technology in our communities.

WHEREAS, Public Health and Safety are jeopardized in Missaukee County by the lack of wireless services.

WHEREAS, FCC, Federal License Compliance requires: Wireless Service providers to furnish service in their licensed areas.

WHEREAS, Wireless Services arms public works departments such as the police and firefighters with real-time information for response. Wireless solutions are helping communities in aspects of safety, efficiency, economic growth, and educational opportunities.

WHEREAS, For Governments around the world, access of high-speed, wireless broadband connectivity has become a norm ("Internet Ready Communities") and a necessity to enhance the lifestyle of the community, build value, bridge digital divides and facilitate education.

WHEREAS, The proposed elimination of landline services by January 2017 necessitates the development of a robust and reliable wireless network in Missaukee County to compensate for the communications void that would otherwise remain.

BE IT RESOLVED, that the Missaukee County Board of Commissioners urges, State and Federal Elected Officials, AT&T, Sprint and Verizon Wireless to provide up-to-date wireless services technology in our communities as required by FCC Licenses.

THEREFORE BE IT RESOLVED, at the regular board meeting of the Missaukee County Board of Commissioners on March 27th, 2014 this Resolution was moved by Hughston, supported by Bridson.

Ayes: 6 (Vivian, Rogers, Hughston, Zuiderveen, Cairy, Bridson) Nays: 0 Absent 1 (Vanderwal)
